Bubble RESUME template This simple infographic resume template uses shades of color to make your skills stand out. 28. Bright resume template This brightly colored infographic style model is perfect if you want your RESUME to stand out on the hiring manager's desk. Can't you decide one? We've zipped all resumes into a handy download, just enter your email address and resumes will be available in your inbox. Keep in mind that when you select a resume, select the template that best suits the type of job or company you want to apply for. A good rule of thumb is to choose a model that is as creative (or formal) as you are looking for a role. A text-ed, monochrome resume template is less suitable for a design-based role. Similarly, a colorful infographic resume model may not do well on the desk of a manager hiring a company. Ace the interview Check out our Photoshop RESUME template resource (it also includes a step-by-step guide to editing a document!) Has your resume been sorted yet?
